

THE
FEDERATION of INTERNATIONAL TOUCH

Presents the

HISTORY
of
PHILIPPINES TEST MATCHES
2014 - 2018

In December 2003 Daniel Skimin Athletic Director at the International School in Manila approached the Asian Touch Regional Director Bryan O'Connor for assistance with referees for an upcoming event in Manila. Prior to that year Alan Cabansg was in contact with FIT but did not have the resources to continue involvement at the International level. Approaches in the early days was also made by Charles Bates and Mike Pratt.

In 2004 the sport at Club level has grown from select international school teams to about fifteen (15) club, university and grassroots teams. Major tournaments such as the School League, Manila Touch Rugby Tournament, UP Invitational, CBRE Juniors Tournament were held annually, including Men Women, and Juniors divisions.

In 2006 Ray Gigatara, coach of the University of the Philippines Touch Rugby was in contact with the Federation giving them updates on the development of the sport in that country. In 2008 he again contacted FIT for assistant in support of a small group on Touch enthusiasts in Korea.

The Philippine became a FIT member in 2014 and attended the 2015 World Cup in Australia hoping to establish themselves as the Number 1 or 2 Touch country in the region. They finished fourth regionally in the Womens division and third regionally in the Mixed division. A commendable effort for their first World Cup.
