

White Hills Brisbane, Australia

9th -12th October 2008

The Fourth World All-Schools again was played in place of the Queensland all-schools and was held at the White Hill Touch Grounds in Brisbane between the 9/12th October 2008.

The tournament was being conducted under the auspice of the Federation of International Touch but all the preparatory work was carried out by Peter Bell and the Queensland Secondary Schools Touch Association.

F.I.T. Tournament Directors assistance with the Event with the guidance of the QTA, and the Queensland School's personnel. Although the Mixed 13 teams were part of the Championships they were played only in respect of the Queensland Titles and not the World Event

Their scores are records but data was not extracted as with the World Divisions.
