

Touch formed its first organised structure in New Zealand in 1975 with the initial competition being run in the Hawke's Bay. Touch within New Zealand became a recognised sport with the establishment of Touch New Zealand in May 1986.

This document traces the History of Touch New Zealand and the results it has achieved at F.I.T. sanctioned events. Whilst playing international touch games at other endorsed F.I.T events, some records are sketchy or were not kept and do not form part of the official History for New Zealand

Touch New Zealand are a Foundation Member of the Federation of International Touch becoming its third member on 20th March 1985 when Don Benson and three other International Presidents formed the International organisation.

From these humble beginnings the sport is rapidly grown to be enjoyed by young and old. New Zealand are yet to win the World Cup but are current World Champions in the Mixed Seniors and Mens Veterans Divisions.

If there are any errors or omissions please notify the Historian for the Federation of International Touch, Mr Peter Shefford at peter.shefford@internationaltouch.org
