**HISTORY**  
of  
**GREAT BRITAIN TEST MATCHES**  
**1995 - 2013**

In 1994 the then President of the British Touch Association, Mark Wilkes, in conjunction with FIT organised a quad series between Great Britain, Australia, Japan and New Zealand.

As it eventuated New Zealand pulled out at the last moment leaving a tri series between the remaining nations. Although Great Britain has sent Youth teams on tours they have only played the one test series.

Attached is the results of test matches played by Great Britain against FIT Members. The first official test was held at Tokyo in 1995. These records trace the history of all test matched played by the British Touch Association
