FEDERATION of INTERNATIONAL TOUCH

Presents the

HISTORY
of
NIUE TEST MATCHES
1998 - 2013

The South Pacific Island Touch Tournament played in 1998 was an idea developed by a small group within New Zealand to provide elite level of touch for Pacific Island Nations who had not yet competed in Test matches with other Federation Members.

The inaugural group consisted of Federation Members New Zealand, Niue and Samoa with the National Maori team being invited to join them in the competition. This was significant for the Maori group as it would be the first time in their history that they competed against a National New Zealand team in any sport.

The S.P.I.T. organising committee approached the Federation to sanction the event despite having non F.I.T. Members participating. Such was forthcoming and the event was held at the Waitakere City Athletic Stadium with test status given to Federation members games.

These records trace the history of all test matched played by the Niue Touch Association
